## Simple & Compound Sentences

Directions—Read the sentences on the attached page. Decide if the sentences are simple or compound. Cut out and glue the sentences under the correct column.

Simple

Compound

I read this whole book.	It took a long time, but I enjoyed it.
A child in the story was in danger, but a dog saved him.	Lots of children's books have colorful pictures.
You can read the book, or I can tell you about it.	My favorite books are mystery and nonfiction books.
It's about gold miners long ago.	Most children love adventure stories.
I tell my friends about books, and they share books with me.	The author creates many characters for her stories.
The children in the story are brave, and they have many adventures.	Did you read the adventure book about pirates and buried treasure?
Some adventure stories are set in faraway places.	Some real-life stories are happy, but some are sad.
