Color with...

Addition Facts

Use the code to multiply. candy corn = CC; Indian corn = IC; Pumpkins = P

$CC + P = \underline{\quad}$

$IC + P = \underline{\quad}$

$CC + IC = \underline{\quad}$

$IC + CC = \underline{\quad}$

$P + CC = \underline{\quad}$

$P + IC = \underline{\quad}$

Challenge: $CC + P + IC = \underline{\quad}$

Compare your Candy!

Directions: Compare using $<$, $>$, or $=$

Halloween Color By Number #2

Name _____

Fill in the missing number.

Color any squares with these answers

BROWN:

3, 6, _____, 12

18, 24, _____, 36

14, _____, 18, 20

Color any squares with these answers

GREEN:

_____, 42, 49, 56

18, _____, 24, 27

16, 24, _____, 40

Color any squares with these answers

ORANGE:

_____, 30, 35, 40

27, _____, 45, 54

7, 14, 21, _____

Color any squares with these answers

BLACK:

16, 20, _____, 28

2, 4, 6, _____

_____, 54, 63, 72

Color any squares with these answers

YELLOW:

_____, 8, 12, 16

40, 48, _____, 64

8, _____, 12, 14

Color any squares with these answers

GRAY:

56, 64, _____, 80

42, 48, 54, _____

27, 30, _____, 36

Color any squares with these answers

BLUE:

36, 42, _____, 54

10, 15, _____, 25

_____, 27, 36, 45
